Dispensing optician and practice manager with a growing obsession for coding, UI, and interactive systems.

Professional Experience

C4 Sightcare 2010-Present
Dispensing Optician, Practice Manager *Morpeth, UK*

- I work as a Dispensing Optician and Practice Manager in a busy clinical environment, combining patient care with the day-to-day running of the practice. The role involves a lot of precision, organisation, and problem-solving, as well as making sure people feel looked after from the moment they walk in to when they leave.
